New Worship CD

Prophetic Psalmist
Ruth Webb (piano)
 with
Prody G (violin)

"This album by Ruth Webb ministers to my spirit and is one of my favourites. Her beautifully composed worship songs have been sung in many of our church services and special meetings. I believe this anointed album will bless and minister to you too." **David Swan**

Anointed sounds come from the heart of God. They are a part of Him and they flow like a river bringing peace, tranquility, comfort, security, rest and healing to our souls. Even when the world is in turmoil, we can find rest near to the heart of God because Jesus **will** be exalted above the nations. (Psa 46:10)
